

CERTIFICATE

The Information Security Management System of
e-Business & Resilience Centre (ebrc)
Luxembourg

Complies with the requirements of:

ISO/IEC 27001:2005

The certificate is valid for:

The Information Security Management System of
e-Business & Resilience Centre managing the
confidentiality, availability and integrity of its services to
clients. The services include processes, systems and
infrastructure necessary to support **ebrc** business
continuity services, hosting and housing, in the four Data
Centres (Luxembourg City (RCC1 including **ebrc** Head
Quarters and RCC2), Luxembourg West (RCW) and
Luxembourg South (RCS)), in accordance with the
statement of applicability (SOA) version 1.11.

The selection of compensating controls has been described in
the Statement of Applicability with reference:
Statement of Applicability (SOA) version 1.11

This certificate has been issued for the first time on
September 1st, 2010 and will be valid until September 1st, 2013.
The management system is subject to annual surveillance audits
during the duration of validity of the certificate.
